FOR USE UPON RECEIPT — 2010

**CREATE LOTS OF
NEW LOOKS WITH
TIVOLI COVELUM™ —
BENDABLE, COLORFUL
LED LINEAR LIGHTING**

New Product Introduction: Covelum™ Designer Series LED Color — modular, bendable low-voltage cove and linear color LED lighting system.

Product Design: Tivoli in-house product development and engineering team.

Product Manufacturer: Tivoli, LLC, founded 1967.

Product Applications: Covelum Designer Series LED Color bends easily to fit concave and convex curves without special hardware. It can be surface, recessed or semi-recess mounted, and positioned for direct or indirect colorful LED ambient or accent indoor lighting effects. It is well suited for a range of commercial, institutional or high-end residential applications in office buildings, lobbies and reception areas; in casinos, clubs, hotels and restaurants; in auditoriums, arenas, cinemas, theatres; libraries; healthcare facilities; transportation terminals; fine residences and more.

Product Description: Covelum Designer Series LED Color is an architectural, bendable, curvable low-profile modular rectilinear component. An integral 2-wire design, it allows 90° corners, curved radii of all kinds, straight or sharply angled runs in naturally occurring or manmade ceiling or wall coves.

Tivoli Debuts Covelum Designer Series LED... page 2

Modules are furnished in 12-inch length minimum, and can be furnished from the factory in standard or custom lengths to meet any project requirement. They are field cuttable and joinable.

Construction: **Covelum Designer Series LED Color** modules are manufactured from durable, unitized, insulated high-impact electrical-grade plastic. Width is a mere .75 inches, height is 1.15 when unlensed.

Modules are 2 inches long and comprise 6 triple-chip .75-watt color LEDs per module. LEDs can be spaced 2.5, 3 or 4 inches on center. LEDs may be specified in 4 standard colors, or 45 Colormix Pantone or CIE X/Y nonwhite coordinating colors. Aluminum lensed or open mounting channels available. Lensed channels offer clear, frosted or opaque choices, in 8-foot sections.

Covelum is ETL, cETL listed to UL 1310, 2108, 8750 and CSA C22.2 standards, for dry or damp locations. Requires Class I or Class II power supply.

Ordering Information: Literature, specifications and pricing for new **Covelum Designer Series LED Color**, or for other Tivoli products made for architectural, commercial, and institutional industry applications, contact Tivoli, LLC at 15602 Mosher Avenue, Tustin, CA 92780. Telephone: (714) 957-6101. Fax: (714) 427-3458. Email: sales@tivolilighting.com. Visit Tivoli on the world wide web at: www.tivolilighting.com.
